Attorney's Docket No.: 05918-245001 / VGCP 445 DIVISION

2004 JUL 20 AM 10:1

Applicant : George A. Provost et al. Art Unit : 1732
Serial No. : 10/725,819 Examiner : Unknown
Filed : December 1, 2003
Title : FORMING DISCRETE FASTENER ELEMENT REGIONS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

DECLARATION OF JANINE M. GOODWIN

I, Janine M. Goodwin, declare as follows:

1. I have been employed by Fish & Richardson P.C. since September 4, 2000, as a Sr. Docketing Specialist in the Practice Systems Department.
2. When mail is received by Fish & Richardson P.C. from the U.S. Patent and Trademark Office ("PTO"), the mail is entered and docketed into the Fish & Richardson P.C. computerized docketing system and entered into a manual log of all PTO mail received to date. It is then sent to the attorney in charge of the case for entry into the file.
3. According to our docket system the case identified as U.S.S.N. 10/725,819 filed December 1, 2003 corresponds to client/matter number 05918-245001.
4. I have checked our manual mail log (Exhibit A) for the period of time from March 3, 2004 through March 10, 2004. If we had received a PTO action for application number 10/725,819, I would expect to see an entry in the mail log which would include the date received; the Fish & Richardson reference number; and the base date

CERTIFICATE OF MAILING BY FIRST CLASS MAIL

I hereby certify under 37 CFR §1.8(a) that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated below and is addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

of March 3, 2004. There is no record of ever receiving the action mailed March 3, 2004.

5. I also checked copies of our docket printout (Exhibit B) showing docketing deadlines occurring on May 3, 2004. Each entry in Exhibit B identifies the docketed date; the Fish & Richardson reference number; the U.S. Serial Number; a description of the action; and a description of the type of deadline. For application U.S.S.N. 10/725,819, if we had received a Notice of File Missing Parts dated March 3, 2004, I would have expected to find the docketed due date of May 3, 2004 for response to the notice. I did not find such a docket entry on the docket printout for May 23, 2004. A copy of the docket printout for May 3, 2004 is attached as Exhibit B.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Date: 7/13/04

Respectfully submitted,

Janine M. Goodwin

Sr. Patent Docketing Specialist/Supervisor
